\*12 Monthly payments are based on enrollment & payment plan starting May 1.

\*9 Monthly payments are an example of enrollment & payment plan starting July 1.

After May 1, monthly payments are based on the number of months remaining to pay the account in full by **March 15**.

### Tuition Policies

1. All monies paid are **NON-REFUNDABLE**

- a. Enrollment and agreement to a payment plan is a contractual agreement to pay full annual tuition.
- b. Please reference withdrawal policy stated in the parent handbook.
- c. unforeseen circumstances will be taken on a case-by-case basis.
- d. it will take at least 60 days to decide on the refund and process.

2. All payments are set up for Electronic Funds Transfer (EFT)

- a. scheduled according to your instruction
- b. check & cash payment plans can be arranged for an additional fee of \$50 per payment

3. Regardless of plan and start date: All tuition, fees and curriculum are to be **paid in full by March 15 each year.**

4. The **weekly plan**

- a. A weekly payment plan is calculated on a 35-week schedule,
- b. on the balance after the non-refundable \$570 registration & curriculum fees are paid.
  - c. Drafts will be made from your account over the 2 weeks of Christmas break.
  - d. A \$20 late fee will be charged if a weekly EFT is declined.

5. The **two-payment plan** is available to those who can pay \$3,011 at time of enrollment.

- a. The second EFT of \$3,011 will be set up to draft in January 2024.
- b. A \$50 late fee will be charged to your account if your check or EFT is declined.

6. The **one-payment plan** is available to those who can pay \$5,902 at the time of enrollment.

- a. A \$100 late fee will be charged to your account if your check or EFT is declined.

7. A full year of tuition, fees and curriculum will be charged for any student starting on or before Dec 1st.

- a. Prorated charges will be calculated from the full tuition column for students who enroll after December 1.
- b. A \$500 discount will be the maximum savings for one- time payments negotiated after December.

### 8. Sibling Discounts:

- b. 10% will be applied to the total family *tuition* cost on any plan.
- c. There is no "mark up," therefore no sibling discount, on our curriculum or testing,
